**Job Title:** Technology Instructional Coordinator  
**Reports to:** Lead Coordinator for Curriculum and Instruction  
**Dept./School:** Curriculum and Instruction

**Primary Purpose:**

Facilitate the effective use of computers and other technology in instructional programs district-wide. Assist in the development of short- and long-range plans for the integration of technology into the instructional program. Implement and coordinate the technology staff development and training program.

**Qualifications:**

**Education/Certification:**  
Bachelor’s degree, Master’s degree preferred  
Valid Texas teaching certificate

**Special Knowledge/Skills:**  
Knowledge of computer hardware and software applications  
Knowledge of technologies available for use in instructional setting  
Knowledge of curriculum design and implementation  
Ability to develop and deliver technology training to adult learners  
Strong organizational, communication, and interpersonal skills

**Experience:**  
Five years teaching experience  
Three years experience working with computer hardware and instructional software applications

**Major Responsibilities and Duties:**

**Staff Development**

1. Provide leadership and technical expertise to principals and other district personnel in the planning, implementation, and evaluation of effective instructional technology throughout the district.

2. Coordinate the development and implementation of a comprehensive staff development plan for the use of instructional technology.

3. Provide staff development to teachers and administrators in methods of involving technology in the delivery of curriculum.
Curriculum Development

4. Assist in integrating technology in the existing instructional curriculum.

5. Coordinate the writing of curriculum for technology programs and monitor the instructional process in all content areas using technology.

6. Disseminate information regarding current research and significant developments in technology education at the state and national level.

7. Develop and implement a continuing evaluation of the instructional technology program and implement changes based on the findings.

Technical Support

8. Collaborate with the Director of Technology to assist with the bidding process, purchase, distribution, maintenance, and installation of hardware, software, and other technological equipment and materials within instructional programs.

9. Serve as liaison to outside vendors that provide support for technology equipment and materials.

Budget and Inventory

10. Ensure that program is cost-effective and funds are managed prudently.

11. Compile budget and cost estimates.

12. Coordinate the selection of technology equipment and software.

Policy, Reports, and Law

13. Assist in the development of policies and procedures regarding technology issues.

14. Compile, maintain, and file all physical and computerized reports, records, and other documents required.

15. Comply with policies established by federal and state law, State Board of Education rule, and local board policy in the area of instructional technology.

Personnel Management

16. Develop training options and improvement plans for technology personnel to ensure best operation of programs.

17. Other duties as assigned.
